

Get Paid to Mentor a New CS Teacher!

The MENTORS in CS program is seeking experienced CS teachers to guide and support the next generation of teachers!

Join our mentorship program to support a novice high school CS teacher! As a mentor, you'll meet virtually twice per month (one hour each) from September to June to guide and build their confidence in teaching CS.

Who Can Be a Mentor?

- Current or recent high school CS teacher
- 4+ years of CS teaching experience
- Member of one of the following communities:
 - CSTA Black Affinity Group, CSTA New Jersey, or CSTA Wisconsin Dairyland
- Able to participate in:
 - mentor training on Thursday, July 10, 2025, at the CSTA Annual Conference in Cleveland, OH (travel and registration covered) -- for new mentors only
 - monthly, virtual community of practice meetings scheduled on Tuesdays from 6 to 7:30 pm CT (August 2025 to June 2026)

What You'll Do

- 1:1 Mentorship: Meet with your mentee twice per month (one hour each)
- Professional Learning: Participate in mentor training & monthly community meetings
- Research & Feedback: Engage in surveys & focus groups (during mentorship meetings)

What You'll Get

- \$2,000 stipend + swag
- Exclusive mentor training & resources
- Join a community of practice
- Make a lasting impact on a new CS teacher!
- Free travel & registration to CSTA Conference (new mentors only)
